## STOPS FALLING HAIR

Ayer's Hair Vigor is composed of sulphur, glycerin, quinin, sodium chlorid, capicum, sage, alcohol, water, and perfume. Not a single injurious ingredient in this list. Ask your doctor if this is not so. Follow his advice. A hair food, a hair tonic, a hair dressing. Promptly checks falling hair. Completely destroys all dandruff.

**DOES NOT COLOR THE HAIR**

## THEY PROVE EASY

Peoria Basketball Players, Last Year's Champions, Are Defeated by Local Team, 62 to 21.

### MATCH IS CLEAN, AND FAST

Referee Day With Visitors Is Best Seen Here—Second Team Loses After a Tie.

The Rock Island high school basketball team did not find in the Peoria team the hard match they expected last evening. The final score was 52 to 21. When the teams came out on the floor, the local team was prepared for the hardest game of the season. Advice and careful coaching had made them ready, and they showed their worth. The Peoria boys were fast and their team work was good. They would advance the ball near to their basket only to have Young or Steenburg break the combination and send the ball sailing under the local goal. Lift was the star of the game, throwing seven baskets. He was everywhere at once, and was quick to receive the ball and quicker to get rid of it. Young also played a star game, breaking up the Peoria team work time and again making four baskets. Peoria had no star, although Werley at center played an excellent game. The Rock Island boys did not let up once during the game, and after the first few minutes of play the result of the game was not feared by any of the Rock Island fans. The first half ended 29 to 11 in favor of the local boys.

**Had Good Referee.**  
Day, the Peoria referee, deserves credit as being the best referee seen on the Rock Island floor this season. His decisions at all times were just, and he was as quick to see Peoria fouls as Rock Island fouls. Such referees are scarce, and it was a pleasure to the crowd to see an impartial referee. The lineup for the game was:

Rock Island—Brennan, center; Lift and Streckfus, forwards; Steenburg and Young, guards.  
Peoria—Werley, center; Ciska and Fritts, forwards; Evans and Luke guards.

**Tie in Preliminary.**  
The curtain raiser was played between the Augustana Grays and the high school second team. The game was exciting from start to finish. In the first half the high school boys had a shade the advantage, the half ending 10 to 7. In the second half the Grays braced up and when the time was called for the second half, the score was a tie, 17 to 17. This was played off and the Grays succeeded in throwing the first basket. The final score was 19 to 17.

The lineup for the game was:  
High School—Weld and Holmgren, center; Rich and McIntyre, forwards; Behnamann and Riche, guards.  
Augustana Grays—Carlson, center; Berg and Sten, forwards; Shogquist and Anderson, guards.

This morning the high school juniors, who have been claiming the championship among the class teams at the school, were given a severe drubbing at the hands of the seniors who defeated them by the score of 63 to 21. The latter now claim that they hold the title of class champions.

The high school freshmen defeated the Crackerjacks of the Y. M. C. A. in a game of basketball this morning at the Y. M. C. A. by a score of 28 to 3.

### ON RADIATOR CIRCUIT

The Sporting News has the following editorial comment on the Three-Eye salary limit enforcement:

"The salary limit will be given a fair test next season by the Three-Eye league. As a result of the conference between President Sexton and Magistrate Kinsella, the Springfield club will operate with a maximum monthly payroll of \$1,600, and none of its contracts with players will call for more than \$150 a month. Competition and civic pride will call for close observation by Mr. Sexton to secure strict compliance with the club owners. All teams will be signed within the restriction, for

### HOW NEAL BECAME PROFESSIONAL

Billy Neal was fishing around in his pocket yesterday afternoon, for a match when he pulled out a yellow newspaper clipping. An Argus reporter who happened to be near asked him what the clipping was and Billy obligingly told him about it. The clipping was from an Atkinson paper of some four years ago and was the box score of a double-header baseball game played between Atkinson team of which Neal was the pitcher and the Moline Athletics. Neal pitched both games and won them both. He made quite a record, also, as he struck out 13 men in the morning game and 12 in the afternoon. At the same time he allowed but five hits as a total for both

the club owners in the earnest effort to put the organization on a paying basis. The hearty and honest co-operation of President Kinsella is assured by his acceptance of conditions. The crisis will come when complaints of cheap teams come from press and patrons in cities which have second division representatives. This demand for new and better players must be met without exceeding the team or individual limit. It may be legally complied with by good management and manipulation, but the temptation to engage players at any price will be strong and unless President Sexton is alert, extravagance will become common. The Tri-State league has this experience last season, in spite of the heroic efforts of President Carpenter to make the club owners of his league live up to the laws that they had made. The Tri-State and Three-Eye leagues are committed to an economic administration in 1909 and it will not be the fault of its president if either fails to demonstrate that business methods can be successfully followed in the conduct of professional baseball. The Sporting News advises Sexton and Carpenter not to rely on league legislation for the enforcement of the salary limit, but to report infractions to Secretary Farrell and demand the enforcement of Section 2, Article XII, of the National association's national agreement."

### AMUSEMENTS

**The Illinois.**  
(Sixteenth Street and Second Avenue.)  
**COMING ATTRACTIONS.**

Feb. 7—"Paid in Full," (return engagement).  
Feb. 12—"The First Violin," matinee.

Feb. 21—"The Great Divide," matinee.  
Feb. 22-27—Zinn Musical company, matinee on the 27th.  
Feb. 28—"Miss Temple's Telegram," matinee.

**The Elite.**  
(Eighteenth Street, North of Second Avenue.)  
Cooper Stock company, in two performances daily, matinee at 2:30 and evening at 8:15.

**The Family.**  
(Second Avenue, East of Nineteenth Street.)  
Vaudeville at 2, 5, and 8:15 p. m. One matinee Sundays and holidays.

**Becomes Local Institution.**—"Paid in Full" with its miniature cast of seven players, will play its third and farewell engagement at the Illinois theater tomorrow night. "Paid in Full" having been seen so many times in the tri-cities, has now become a recognized local institution. The same favorites, Catherine Proctor as Emma Brooks, Agnes Herndon as Mrs. Harris, Viana Boulton as Emma's little sister, Thomas Cook as Joe Brooks, Albert Andrus as Jimmy Smith and Frank Burton as Captain Williams, not forgetting that Job will again be with us.

**At the Elite.**—The Elite Stock company is putting on a comedy the latter half of this week which is a comedy in every sense of the word. It is called "A Diplomatic Tangle," and for a time the principals in the play seem to be in a tangle of trouble which will never be unraveled, but it turns out right in the end. The scene of the play is in several foreign courts, and the costumes and stage settings for the play are good.

**Is Army Romance.**—The story of "The Warrens of Virginia" deals with the romance of Agatha Warren and Lieutenant Burton, a young federal officer who, despite the color of his uniform, is a friend of the Warren family. Burton's attachment to that department of the union army which is directly opposed to the confederate division commanded by General Warren, and the selection of him for the execution of a piece of strategy that, if successful, will work incalculable harm to the confederate cause and to

games and when the local management who had been watching him for some time read of his latest achievement they immediately got after him and secured his name on a Rock Island contract. Billy always attributed his breaking into professional ball to his showing in that double-header with Moline.

**Save Money by Buying Chamberlain's Cough Remedy.**

You will pay just as much for a bottle of Chamberlain's Cough Remedy as for any of the other cough medicines, but you save money in buying it. The saving is in what you get, not what you pay. The sure-to-cure quality is in every bottle of this remedy, and you get good results when you take it. Neglected coughs often develop serious conditions, and when you buy a cough medicine you want to be sure you are getting one that will cure your cold. Chamberlain's Cough Remedy always cures. Price, 25 and 50 cents a bottle. For sale by all druggists.

## LONGBOAT WINS FROM ENGLISHMAN

Indian Defeats Shrub in Marathon Race, Latter Collapsing in the 25th Mile.

Nek York, Feb. 6.—In one of the most sensational Marathon races ever run Tom Longboat, the Canadian Indian, defeated Alfred Shrub of England at Madison Square Garden last night after a dramatic finish, in which the redskin forced the Englishman to overtax his powers and collapse. Shrub fainted during the 25th mile and was carried from the track. He had led practically all the way, but the furious pace he had set told on him and the steady-going Indian was running a magnificent race at the finish, encouraged by thunderous shouts of a monster throng.

The Warren family, starts the action toward a climax of tremendous strength—a climax which brings out all of the power to which the leading members of the brilliant cast can lay claim. As the production "The Warrens of Virginia" is a Belasco masterpiece. The locale of the scenes gave their producer plenty of opportunity for the exercise of his rare genius for the transplanting to the stage of scenes of impressive beauty, and that opportunity was embraced with ardor. At the Grand, Davenport, Feb. 10.

### BIG RUNS WON THE MATCH

Catton Makes 18 Billiards in Inning, and Defeats Smith.

Catton (100) defeated Smith (80) in their game in the Bijou billiard tournament last evening. Smith started off well but Catton played an exceptionally good game and after he was once started his high run of 18 and a number of runs above the dozen mark won him the game in short order. Catton's run of 18 is the high run for the tournament so far, as in making it he passed his own mark of 14, which had been the high mark up to last night. The final count last evening was 100 to 45. This evening Eddy (90) plays MacManus (60). No games have been arranged yet for tomorrow afternoon but in all probability several will be played.

### RECOMMENDED AS SCORER

President Van Galder Requests Appointment of MacManus.

President F. O. Van Galder of the Rock Island Baseball association this afternoon recommended to President M. H. Sexton of the league that Ralph MacManus of The Argus staff be appointed as official scorer of the league here.

### LEAVES WITH WELL WISHES

T. M. Coen Departs While Students Give Cheers at the Depot.

T. M. Coen, instructor in the high school, who left last evening for St. Louis, was given a hearty send-off yesterday. Besides the gold sash ring which was presented to him by pupils who were interested in him, he was presented with a handsome opal stick pin by several of his close friends among the members of the faculty and several who were formerly identified with the faculty. After the dismissal of school, Miss Hellenpenstall, German singing class serenaded him at the door of his room. There were about 50 in the chorus. Many of the boys who particularly regretted his departure, accompanied him to the train and gave him a rousing cheer as the train left the station. He has secured a much better position than that he held here and all his acquaintances here wish him success in his new place.

### PERSONAL POINTS.

Charles McHugh returned this morning from Kansas City.

John Weyerhaeuser of St. Paul is spending the day in the city.

Dean Franklin of Macomb, Ill., spent today in the city visiting with G. H. McKinley, Jr.

Miss Mary Colligan has gone to Fort Worth, Texas, to visit her brother. She will remain a month.

Henry Carse is back from the session of the executive committee of the National Bottler's association which was held at Indianapolis.

D. Morrell of Seattle, Wash., who has been visiting for the past four weeks at the home of E. J. Siemsen, left last evening over the southern route for his home.

### Buddhist Ceremonies.

Some Buddhist ceremonies present a striking analogy to certain Christian rites. An old missionary says: "The very titles of their intercessions, such as 'goddess of mercy,' 'holy mother,' 'queen of heaven,' with an image of the virgin having a child in her arms holding a crescent, are all such striking coincidences that the Catholic missionaries were greatly stumbled at the resemblance between Chinese worship and their own when they came over to convert the natives to Christianity."—London Standard.

### Despite the Jokesmiths.

Grocers never put sand in sugar. Architects often build houses within the original estimates.

Coal dealers usually give a little overweight. Telephone girls are nearly always courteous. Salesladies ditto.—Washington Herald.

### TALES TOLD ABOUT TOWN

#### THE GRAVEL TRAIN.

Acquaintances of Deputy Clerk Sam Ryerson frequently hear "the gravel train" spoken of, but not every one knows just what the term means. Mr. Ryerson says it is a real train, with engine, caboose, and one car. And he is the engine, for he starts it. The "gravel train" is a band of three men, all belonging to one of the fraternal lodges, and the observant may see the "train" every Monday evening wending its way down town, as the three men all reside in the same neighborhood. The three are sure to be present at lodge meetings, no matter what the weather may be, nor whether any one else attends or not. The "gravel train" is a big factor in keeping up the activity of the lodge.

#### HIS CREDIT WAS GOOD.

A Rock Island traveling salesman a few days ago ordered a load of wood sent to his home, and while at his office that afternoon received a telephone call.

"I'm the teamster, and I'm down here with that wood. If it isn't paid for here, I'll not leave it," said a heavy voice over the phone.

Immediately the telephone booth became illuminated with a lurid light, and things that are not often seen in print might have been heard over the wire. Then the receiver was placed on the hook at the other end.
